## Section 6 – Applying for an Organisational Blue Badge [Regulation 5]

These questions are intended for organisations involved in the care of disabled people who are seeking a Blue Badge for a vehicle/vehicles (e.g. minibus, or specially adapted commercial vehicle) which is/are to be used to carry disabled people who would themselves qualify for an individual Blue Badge. Please see Section 6 of the accompanying guidance note for a list of the eligibility criteria prescribed in the regulations that govern the scheme.

**An 'organisation' is defined in legislation as meaning an organisation concerned with the care of disabled persons to which a disabled person's badge may be issued.**

Organisational badges will therefore only be issued to an organisation which:

- Cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- Has a clear need for an organisational badge rather than using the individual Blue Badges of people it is transporting.

Organisational badges should only be used when transporting disabled people in their care who meet one or more of the eligibility criteria for a badge – and must not be used for the employee's benefit when they are carrying out other business on behalf of the organisation. It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge.
