2. Minutes of previous AGM

The minutes of the Netherlee & Stamperland Community Council Meeting 2013 was proposed by GK seconded by JH.

4. Report by the Chair

4. The Chair's report on previous 12 months

2013/14 has been dominated by the events happening at Overlee House and other problems associated with Overlee Park. Unfortunately this has taken up much of our time.

We have instigated the supply and erection, by ERC, of signage at the entrance to Overlee Park in order to prevent vehicles parking within the park in areas where young children have access. We have also arranged and subscribed to the erection of bollards by ERC to prevent unauthorised vehicles using the park area.

We liaised with WRC, on behalf of local residents and business owners regarding anti-social behaviour.

We arranged with ERC to remove debris which remained after the construction of the Clarkston footbridge over the railway and for this to be carried out on a regular basis. We prompted ERC to repair the damage to the steps at Clarkston Library.

The subject of defibrillators was raised but no conclusion was reached. We know there are a number in our area but perhaps we should revisit this subject with a view to training of their use.
