Members are responsible for completing their own expenses claim forms and for signing the declaration on each form that the expenses have been necessarily incurred for the performance of eligible approved duties. **Members should, as far as possible, also ensure that cost implications are considered in decisions regarding expenses to be incurred and should where possible adopt the most cost effective mode of transport.**
2. All travel, subsistence and telephone call claim forms must be submitted to the Members Services Section who will be responsible for checking that they have been properly completed. Members Services will sign the form in the box provided as evidence that the check has been carried out.
3. Travel and subsistence claims must include the following:
 - Date for which expense is claimed
 - Time of departure /arrival.
 - Detailed description of approved duty (including category).
 - Expense items / Journey details (including journey start and finish details).
 - Receipts for expenditure incurred.
4. Claims for travelling and subsistence in respect of conferences must be claimed on the conferences claim form which should then be submitted to Members Services.

TRAVELLING EXPENSES

Where it is reasonable to do so, Members should use public transport in the conduct of their duties. However where public transport is not reasonably available, alternative forms of transport (e.g. private vehicle) can be used. **In cases where alternative transport is used which is more expensive than the cost of travelling by public transport, the cost of travelling by public transport can be reclaimed although as no receipts or tickets can be provided this will be subject to tax. In the event that travelling by alternative transport is cheaper than the cost of travelling by public transport, the lower rate can be reclaimed.**

Public Transport – Reimbursement of Costs

Members may travel standard class by public transport, the cost of which will be reimbursed on production of a ticket except in the case of travel by air, where not more than the cost of the economy fare or any available cheap fare for travel by regular air service will be reimbursed, on production of a ticket. In cases of urgency where no such air service is available then the actual fare paid by the Member will be reimbursed on production of a ticket.

The production of tickets is required for all modes of public transport in order that appropriate supporting documentation can be produced to HMRC which may be demanded under current legislation. In the event Members are unable to produce tickets or receipts for any journey made on public transport, any amounts claimed will be subject to tax.

ZoneCard

Members who do not claim car mileage allowance, may at the Council's cost apply for a ZoneCard, details of which may be obtained from Members Services . The ZoneCard will cover journeys from their house or place of work to the Council's Headquarters by public transport and will as far as possible cover journeys within their wards.

Any Member in receipt of a ZoneCard from the Council will have details of this benefit submitted to HMRC at the end of each tax year. Tax may be levied on this benefit by HMRC.

Rail Cards

Members will be able to claim the cost of rail cards purchased by them to allow them to obtain reduced fares when on Council business. Details of the card and the business details should be sent to Members Services to allow discounts to be obtained when tickets are booked.

Any member in receipt of a rail card reclaimed from the Council will have the details of this benefit submitted to HMRC at the end of the tax year. Tax may be levied on this benefit by HMRC.

Mileage Allowances

For the purposes of calculating claims, **a councillor's normal place of residence is regarded as their normal place of work**, so expenses associated with travel from home to the Council HQ, and other locations to conduct council business, may be claimed back. Where a councillor travels on council business from their place of employment or business (which is not Council related) they may be reimbursed for the cost of the journey. However, if the cost of making this journey would have been lower had it started from the councillor's home, then that lower cost is the maximum amount that will be reimbursed.

For example if the distance from a councillor's home to council offices is 5 miles and from a councillor's business to council offices is 10 miles, a maximum of 5 miles may be claimed and reimbursed.

In the event a Member attends a meeting which requires them to **travel from and return to** their place of employment or business, and their place of employment or business is further away than their home, the actual mileage travelled can be claimed. If a councillor does not return to work after the meeting only the mileage from home to the council office can be claimed.

For example if the distance from a councillor's home to council offices is 5 miles and from a councillor's business to council offices is 10 miles, and the councillor leaves from their business to attend a meeting and returns there after the meeting, they are able to claim the total mileage (20 miles – 2 x 10 miles). If the councillor does not return to their work after the meeting but instead goes home then the lower mileage can be claimed (10 miles – 2 x 5 miles).

Under the Regulations, the following mileage rates apply.

car	-	45 pence per mile
passenger (approved duty)	-	5 pence per mile
motorcycle	-	24 pence per mile
bicycle	-	20 pence per mile.

When claiming mileage expenses the claim should be based on the shortest route between the start and end points of the journey regardless of the actual route taken.

Other Travelling Expenditure

The rates specified for car mileage may be increased by the amount of any expenditure incurred by tolls, ferries or parking fees.

No reimbursement will be made for the above costs unless receipts are produced.

The Council will not be responsible for any parking fines incurred.

Travel by Taxi or Private Hire Car

Taxis or private hire cars should only be used in exceptional circumstances when no other public transport is reasonably available.

Taxi or private hire car journeys should be booked through Members Services who will make the booking on behalf of the Member. When making a taxi booking request, Members will need to complete a Taxi Request Form. This form requires the member to provide details of the journey, its purpose and to confirm that there was no other reasonable travel option available,

When taxis or private hire cars are pre-booked they will be paid on account and there will be no need for the Member making the journey to include the journey details and costs on any expenses claims form. However the details will be included in the annual summary of Members' Expenses.

In the event that a taxi or private hire car journey is required which cannot be booked through Members Services, the journey cannot be made on account and the cost of the journey will need to be paid for by the Member making the journey. In claiming for the cost of the journey, the Member concerned will be required to confirm that the reason for the journey was either due to urgency or that public transport was not reasonably available. If these conditions are not met, the Member concerned will be required to repay the excess over the public transport cost.

The rate for travel by taxi or private hire car shall not exceed:-

In the case of urgency or where no public transport is reasonably available the amount of actual receipted fare.

In any other case the amount of fare for travel by appropriate public transport.

Travel by Other Hired Motor Vehicle

The rate for travel by a hired motor vehicle other than a taxi or private hire car shall not exceed the lower of:-

The car mileage rate as stated above being the rate which would have been applicable had the vehicle belonged to the Member who hired it.

The cost of hiring a vehicle of less than 1200cc

In order to reclaim reimbursement the Member must provide an appropriate VAT receipt.

Travel by Council Car

Members should be aware that the Council is required to record and publish as part of the annual members' expenses exercise costs relating to the use of chauffer driven cars. This will include costs incurred on such journeys by Provost, Deputy Provost and other Councillors being conveyed in the Council car.

TELEPHONE EXPENSES

Landline Telephone and Broadband Connections

Members can be supplied with landline telephone and broadband facilities at home which are installed and paid for by the Council. **The telephone facility should only be used for Council business. In parallel with the Council's mobile device policy, broadband facilities may be used for personal use but must not be used for any non-Council business activities. Members will be asked to sign an undertaking to that effect.**

Bills for these services are sent directly to the Council.

Some Members have chosen to use their own personal broadband connection for Council business and as the Council has made a cost effective solution available, Members are not entitled to claim for business use of this equipment.

Mobile Telephones

Members can be supplied with mobile telephones/tablets/laptops by the Council. **The use of these devices is controlled by the Council's mobile device policy.** The policy permits personal use of a Council supplied mobile device within usage plan limits, but it does not permit the use of a Council supplied mobile phone for non-Council business activities.

Should members intend to use phones, laptops and tablets overseas they should contact IT (3131) with travel details no later than 3 days before travel to allow the appropriate "bolt on" arrangements to be made. Members should also note that there may be additional costs associated with this depending on their travel destination. Should Members fail to notify IT of overseas travel and use their devices without making the appropriate "bolt on" arrangements, this may result in significant additional costs.

Bills for mobile devices are sent to Members Services. In the event that a bill exceeds the monthly usage plan limit Members will be asked to confirm whether excess costs are personal or Council related. If personal, Members will be required to pay the excess by way of deduction from their next salary.

Members will be asked to sign an undertaking confirming that they will comply with the terms of the Council's mobile device policy

CONFERENCES AND TRAVEL ABROAD

Conferences

Attendance at conferences requires to be approved in advance by the Director of Corporate and Community Resources or Head of Democratic and Partnership Services in consultation with the Leader of the Council.

Conferences have to be accounted for separately and accordingly there is a special conferences claim form.

In respect of conferences within the UK Members will be reimbursed according to normal rates for travelling and subsistence which will be subject to provision of appropriate receipts.

When the Council books overnight accommodation this should be at or below the Members' overnight allowance rate.

When the Council books a conference which includes accommodation and subsistence no additional sums may be claimed by Members.

Travel Abroad

In respect of travel outwith the UK, travelling expenses for the most appropriate form of transport and subsistence will be reimbursed provided details and receipts are produced.

INCOME TAX AND NATIONAL INSURANCE

Income Tax and National Insurance

Normal Income Tax and National Insurance rules are applied to salary payments, travel claims and telephone rental allowance.

Tax Relief

Members may wish to claim tax relief in respect of expenses which are not reimbursed by the Council e.g. expenses in connection with constituency work. Details of these expenses should be submitted normally at the end of the Tax Year, direct to HMRC. A form and guidance notes for this purpose will be available from the Payroll Section . If Members do not wish to make a claim in respect of such expenses no action need be taken.
