Places in local authority nurseries are much sought after, therefore many settings have no extra spaces for parents to buy additional hours. Nurseries will be able to advise parents whether any additional space is available once all applications have been processed, this may not be until the start of the term in August. It is therefore important that parents consider their needs carefully when applying for a nursery place as there is no guarantee of any extra hours becoming available.

**We will try to give you your choice, however, there is no guarantee of this.**
