Nothing of note

Letter from Woodfarm Secondary requesting funding for a basketball hoop.

There was no information provided on expected costs. Since the GCC cannot access funds at this time, no donation could be considered at this time. MM advised AS that CC grant from the council was for specific 'admin' purposes and for giving donations. So, it was not 'competent' for the CC to do so. A discussion took place, on school fund raising, gender equality within school sports and whether Woodfarm is in the GCC area.

It was established that Woodfarm is in the Thornliebank Community Council (TCC). AS declared conflict of interest as chair of the schools Parent Association and confirmed that TCC had been contacted too.
