

Important Closure Notice

Whitelee II Forest Operations - North of Whitelee Hill

30th September 2024 for 5 months until 28th February 2025

Forestry & Land Scotland will be carrying out major harvesting operations in the area north of Whitelee Hill. Tracks around this work area will be closed entirely for the duration of the works (highlighted on the map below).

A diversion will be in place, and signposted in the area.

For your health and safety please do not go into the restricted area.

Forestry & Land Scotland apologise for any inconvenience.

- █ = Barrier in place - no access beyond
- █ = Track closed
- █ = Diversion
