EAST RENFREWSHIRE INTEGRATION JOINT BOARD

18 March 2020

Report by Chief Officer

Delegated Authority for Chief Officer

PURPOSE OF REPORT

1. To seek delegated authority for the Chief Officer for the foreseeable future to take operational decisions that would normally require Board approval.

RECOMMENDATION

2. That the Board agree that delegated authority be granted to the Chief Officer for the foreseeable future to take operational decisions in respect of matters that would normally require Board approval, subject to consultation taking place with the Chair and Vice-Chair of the Board.

REPORT

3. In light of the ongoing Covid-19 situation investigations have been taking place into the Board's business continuity arrangements, including how decisions that require Board approval can be made if the Board is unable to meet.

4. To address this, it is proposed that delegated authority be granted to the Chief Officer to take any operational decisions that in normal circumstances would require Board approval. This is subject to consultation taking place with the Chair and Vice-Chair. Whilst this is for the foreseeable future it will be the subject of ongoing review and normal Board meeting arrangements will be reintroduced as soon as practicable.

5. A similar approach is being introduced by other Chief Officers and IJBs in the NHSGGC area.

RECOMMENDATIONS

6. That the Board agree that delegated authority be granted to the Chief Officer for the foreseeable future to take operational decisions in respect of matters that would normally require Board approval, subject to consultation taking place with the Chair and Vice-Chair of the Board.
