AUDIT AND SCRUTINY COMMITTEE

13 August 2020

Report by Deputy Chief Executive

CODE OF CORPORATE GOVERNANCE

PURPOSE OF REPORT

1. To update the Audit and Scrutiny Committee on progress against improvement actions in the 2019/20 Code of Corporate Governance and to approve a new Code for 2020/21 (listed at Annex 1).

RECOMMENDATIONS

- 2. The Audit and Scrutiny Committee is asked to:-
 - (a) Note progress on the 2019/20 Code of Corporate Governance improvement actions, and:
 - (b) Approve the Code of Corporate Governance updates and actions for 2020/21 (Annex 1).

BACKGROUND

3. East Renfrewshire Council is responsible for ensuring that business is: conducted in accordance with the law and proper standards; and that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively.

4. In discharging this responsibility, elected members and senior officers are responsible for putting in place proper arrangements for the governance of the Council's affairs and the stewardship of resources. Since December 2002, the Council has adopted and updated annually a Code of Corporate Governance which is consistent with the principles and requirements of the CIPFA/SOLACE Framework: *Delivering Good Governance in Local Government*.

5. The Code of Corporate Governance is a statement of the structures and processes that govern internal policy-making, community leadership, partnership working and the mechanisms to ensure proper control and accountability are in place.

6. The *Delivering Good Governance in Local Government* framework was revised in 2016. Previously the Corporate Governance framework consisted of six core principles. The Code now comprises of seven governing principles and a set of supporting principles however the sentiment is essentially the same. The full set of principles is listed in the draft code in Annex 1. A diagram providing an 'at a glance' summary of the Council's evidence to ensure good corporate governance is included at the end of Annex 1 for ease of reference.

- 7. All councils must comply with the following requirements:
 - Publication of an annual progress summary on the previous year's Code, including any actions taken to improve compliance.
 - Publication of an annual Code of Corporate Governance update. This must include an update on any new evidence we can present. It must also include self-assessment scoring of the evidence we have regarding: compliance with national guidance on each governance requirement; and details of any action planned to improve compliance during 2020/21.
 - Inclusion of an Annual Governance Statement in the Council's Annual Report and Accounts.

PROGRESS ON 2019/20 ACTIONS

8. In May 2020 an update on the actions from the 2019/20 Code of Corporate Governance update was produced. The update is attached at Annex 2 and is available to the public on the council website.

- 9. Four of five improvement activities listed in the 2019/20 code were completed:
 - A full review of the Code of Conduct in relation to employees was completed on schedule.
 - Teams across the Council were consulted before an agreed set of three new values was introduced in 2019. These are now embedded across the organisation.
 - The new Quality Conversations scheme involving an annual conversation between individual staff and their managers and regular 1-2-1 and team check-ins is now embedded across the Council.
 - The "Anti-Fraud, Bribery and Theft Strategy", prepared in line with the CIPFA "Code of Practice on Managing the Risk of Fraud and Corruption" was approved by the Corporate Management Team.

Development of the new Digital Customer Experience project is progressing. The target for completion has changed to March 2021 to take account of new priorities during the Covid-19 crisis.

UPDATED CODE OF CORPORATE GOVERNANCE FOR 2020/21

10. The updated Code of Corporate Governance for 2020/21 is included at Annex 1 and sets out arrangements which fulfil the seven governance principles outlined in the national guidance. Some of these are linked to recovery/renewal planning in response to the Covid-19 crisis.

11. The CIPFA / SOLACE framework emphasises that councils should:

- keep codes of corporate governance under review;
- carry out a process of self-evaluation scoring; and
- develop actions to address any gaps or areas for improvement in governance arrangements.

The self-assessment scoring of this year's code found that we were fully compliant across all governance principles. Any supplementary actions added in relation to the recovery/renewal phases of the Covid-19 crisis will be evaluated in future to check for continued compliance.

12. A number of actions to be undertaken in 2019/20 to further improve compliance with the Code have been identified. Each action has been included only once to avoid duplication, with any references to other relevant supporting principles included for information. Key actions for 2020/21 are:

- The first annual "Fraud Statement" providing an update on work to address fraud, bribery and theft within the Council.
- A plan outlining the next steps for Community Choices participatory budgeting events.
- Development of a Climate Change Strategy.
- Finalisation of the new Digital Customer Experience programme.
- Development of the council's Equality and Human Rights Mainstreaming Report.
- Full roll out of an investment reporting system for Capital and Investment projects.
- Development of the ODP for 2020-23 to reflect recovery and renewal post-COVID-19.

13. Once approved, the Code of Corporate Governance 2020/21 will be made available on the Council's website and a progress update on the actions will be made in May 2021 after the close of the 2020/21 financial year.

ANNUAL GOVERNANCE STATEMENT

14. As part of the SOLACE/CIPFA corporate governance framework the Leader and the Chief Executive are responsible for ensuring the inclusion of the Annual Governance Statement in the Annual Report and Accounts. The 2019/20 Annual Report and Accounts is to be published later in the year. This Statement includes a progress summary of the 2019/20 Code of Corporate Governance actions and also references the 2020/21 Code.

CONCLUSION

15. Based on the evidence presented here East Renfrewshire Council is governed by sound and effective internal management controls and continues to demonstrate compliance with the requirements of the CIPFA/SOLACE Framework: "*Delivering Good Governance in Local Government*.

16. As part of the annual review process the Code of Corporate Governance has been updated and scored in line with evidence and in consultation with colleagues across the Council. Progress on planned actions for last year (2019/20) has been posted on the Council's website, accessible <u>here</u>. Subject to Audit and Scrutiny Committee's approval the new revised Code for 2020/21 will also be posted on the Council's website in August 2020.

RECOMMENDATIONS

17. The Audit and Scrutiny Committee is asked to:-

- (a) Note progress on the 2019/20 Code of Corporate Governance improvement actions.
- (b) Approve the Code of Corporate Governance updates and actions for 2020/21 (Annex 1).
