AUDIT AND SCRUTINY COMMITTEE

Report by Chief Auditor

PUBLIC SECTOR INTERNAL AUDIT STANDARDS INTERNAL SELF ASSESSMENT

PURPOSE OF REPORT

1. The purpose of this report is to advise members of progress in relation to compliance with the Public Sector Internal Audit Standards (PSIAS).

BACKGROUND

- 2. The Public Sector Internal Audit Standards came into force on 1 April 2013 and includes a requirement that the Head of Internal Audit develops and maintains a quality assurance and improvement programme (QAIP) to enable the internal audit activity to be assessed against the PSIAS. CIPFA recommends that in order to undertake a self-assessment, the recommended checklist for assessing conformance included within the application note to the PSIAS is used which contains 339 criteria. Additionally, there is a requirement for an external assessment to be carried out at least once every 5 years by an independent assessor.
- 3. For internal auditors in the public sector, compliance with PSIAS is mandatory and any areas of non-conformance should be reported to the Audit and Scrutiny Committee.

QUALITY ASSURANCE AND IMPROVEMENT PROGRAMME (QAIP)

- 4. The standards require that the QAIP includes both internal and external assessments. The recommendations and actions resulting from these assessments are contained within the QAIP which is included in the appendix. All recommendations from the external assessment which were submitted to the Audit and Scrutiny Committee in June 2018 have now been implemented and have therefore been deleted from the QAIP.
- 5. The internal assessments must include ongoing monitoring of the internal audit activity and periodic self-assessments. This is achieved as follows:
 - review of all internal audit files by the Chief Auditor
 - monitoring of internal audit activity by the Audit and Scrutiny Committee through quarterly progress reports and the annual report
 - performance measurement framework in place which includes reporting on performance indicators approved by the Audit and Scrutiny Committee, national Director of Finance indicators and Council corporate indicators
 - annual review by the Council's external auditors of internal audit activity and feedback on whether they can place reliance on the work carried out by Internal Audit
 - feedback via the use of annual customer satisfaction surveys on the work carried out by internal audit

- self-assessments using the recommended checklist are carried out periodically (except for years where there has been an external assessment) and the results submitted to the Audit and Scrutiny Committee.
- 6. External assessments are required to be carried out at least once every five years by a qualified, independent assessor or assessment team from outside the organisation. External assessments can be in the form of a full external assessment or a self-assessment with independent external validation. The last external assessment was carried out in 2018. It was agreed by Audit and Scrutiny Committee in June 2019 that the Council will continue to participate in the reciprocal SLACIAG independent self-assessment process.

SELF ASSESSMENT

- 7. In August 2014, a report detailing the full results of the first self-assessment of PSIAS was submitted and noted by the Audit and Scrutiny Committee. The self-assessment was carried out by using the recommended checklist which contains four columns to indicate full, partial or non-compliance and non-applicable. The self assessment was repeated again in 2016, May 2019 and July 20. A copy of the latest full self-assessment is available on request but the results are summarised below.
- 8. The Standards require that the assessment must include an evaluation with regard to the degree of internal audit's compliance. Internal audit's self-assessment indicates that the service is currently fully compliant with 289 (or 95%) of all criteria which are applicable and partially compliant with a further 11 (or 4%).
- 9. The table below summarises internal audit's self-assessment of conformance against the standards as at July 2020.

| Standards | No. of criteria | IA assessment of conformance | | | |
|---|-----------------|------------------------------|---------|----|-----|
| | | Yes | Partial | No | N/A |

| Total | 339 | 289 | 11 | 3 | 36 |
| Total excluding non-applicable | 303 | | | | |

| Standards | No. of criteria | IA assessment of conformance | | | |
|------------|-----------------|------------------------------|---------|----|-----|
| | | Yes | Partial | No | N/A |
| % of total | 100% | 95% | 4% | 1% | |

10. This shows a slight improvement in compliance compared to the previous self-assessment submitted to the Audit and Scrutiny Committee as follows:

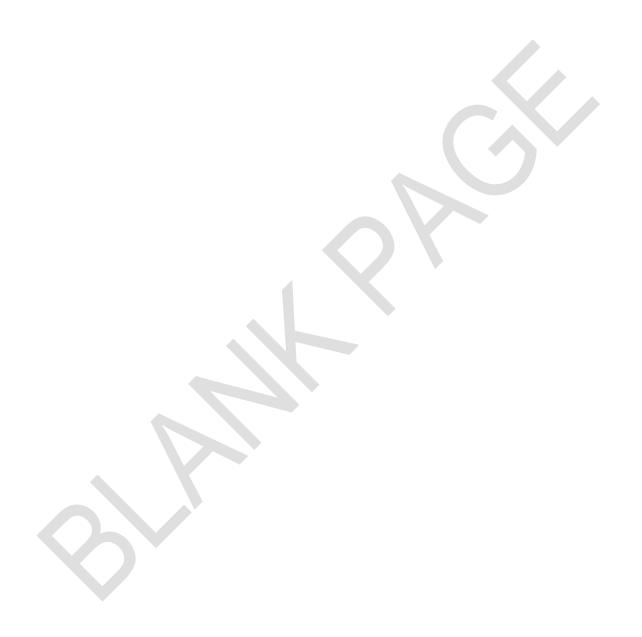

| Standards | No. of criteria | IA assessment of conformance | | | |
|------------------------------|-----------------|------------------------------|---------|----|-----|
| | | Yes | Partial | No | N/A |
| Compliance as at August 2014 | 339 | 255 | 27 | 23 | 34 |
| Compliance as at Sept 2016 | 339 | 269 | 20 | 13 | 37 |
| Compliance as at May 2019 | 339 | 286 | 12 | 4 | 37 |
| Compliance as at July 2020 | 339 | 289 | 11 | 3 | 36 |

- 11. There are now few areas of non-compliance and there is limited scope to address these. For example Audit and Scrutiny Committee having the power to appoint the Chief Auditor.
- 12. The main areas identified as non-applicable relate to:
 - Consultancy engagements internal audit has not undertaken any significant consultancy work in 2019/20 to date or in the years prior to this.
 - Internal audit does not carry out any non-audit duties or have any operational duties outwith the internal audit function.
- 13. The main area assessed as being partially compliant is in relation to:
 - The issues which are routinely considered when planning each audit assignment but are not always formally documented.
- 14. On the basis that the self-assessment indicates that the internal audit team are 95% fully compliant with the relevant standards and partially compliant with a further 4%, it is concluded that the internal audit section operates in general compliance with the Public Sector Internal Audit Standards. This result remains consistent with the external assessment which concluded that the internal audit service was fully compliant in 11 out of 13 sections and generally compliant in the remaining two.

RECOMMENDATIONS

15. The Committee is asked to note the outcome of the revised self-assessment.

Further information is available from Michelle Blair, Chief Auditor, telephone 0141 577 3067.
