Subject for discussion – Busby Primary School Playing Field

After lengthy discussions, the consensus of opinion was that the proposed Nursery should not be sited in Busby Primary School Playing field. Serious issues were raised, regarding the surveying, increase of traffic in an already congested area, space per child of playing area, depriving the local children of what has historically been green play space and current field school studies. It was also questioned as to whether correct procedure had been followed with regard to communicating with Sport Scotland.

The meeting closed at 9.00pm.
