- 2 The overall aims and practices of the purpose of the grant must be consistent with the objectives of the council.
- 3 The applicant must not treat any members or potential members less favourably on any grounds which could be deemed discriminatory including but not exclusively, race, colour, disability, gender or faith.
- 4 The grant must be spent only for the purpose for which it is granted.
- 5 East Renfrewshire Council's liability shall be to make payment of the grant to the organisation. All other liabilities or claims are the responsibility of the organisation.

- 9 The purpose of the grant will be carried out under the complete control of the organisation. Where a grant represents the organisation's contribution to a joint purpose of the grant, the council must be satisfied that the overall aims and practices of the purpose of the grant are consistent with the objectives of the council.

- 14 All organisations must have complied with the conditions attached to previous awards (e.g. submission of receipts). Where this condition is not complied with, subsequent applications will not be processed.
- 15 Additional conditions may be set by East Renfrewshire Council at its discretion.
