REPORT

Rolling Action Log

3. The action on aids and adaptations has been reinserted into the action log and an update on the OT improvement work will be provided at the August meeting of the IJB.

Specialist LD

4. It was agreed to defer the presentation to a later meeting, however, given the presentation has more relevance to NHS members, it has been agreed that it will be presented at the NHS Board instead.

Implementation of the Carers (Scotland) Act 2016

5. Our consultation on the eligibility framework has now closed and we have a number of responses that will now be analysed and we will feedback through citizen space once that process is concluded. A reference group is being established to refine and test the eligibility criteria in practical situations.

Fit for the Future

 - Consultation period and process to match suitable candidates into posts completed

 - Next phase to fill remainder of posts within the Senior Management structure
