EAST RENFREWSHIRE COUNCIL

AUDIT AND SCRUTINY COMMITTEE

17 August 2017

Report by Deputy Chief Executive

CODE OF CORPORATE GOVERNANCE

PURPOSE OF REPORT

1. To update the Audit and Scrutiny Committee on progress against improvement actions in the 2016/17 Code of Corporate Governance and to approve a new Code for 20178 (listed at Annex 1).

RECOMMENDATIONS

- 2. The Audit and Scrutiny Committee is asked to:-
 - (a) Note progress on the 2016/17 Code of Corporate Governance improvement actions, and:
 - (b) Approve the Code of Corporate Governance updates and actions for 2017/18 (Annex 1).

BACKGROUND

- 3. East Renfrewshire Council is responsible for ensuring that business is: conducted in accordance with the law and proper standards; and that public money is safeguarded, properly accounted for, and used economically, efficiently and effectively.
- 4. In discharging this responsibility, elected members and senior officers are responsible for putting in place proper arrangements for the governance of the Council's affairs and the stewardship of resources. Since December 2002, the Council has adopted and updated annually a Code of Corporate Governance which is consistent with the principles and requirements of the CIPFA/SOLACE Framework: *Delivering Good Governance in Local Government*.
- 5. The Code of Corporate Governance is a statement of the structures and processes that govern internal policy-making, community leadership, partnership working and the mechanisms to ensure proper control and accountability are in place.
- 6. The *Delivering Good Governance in Local Government* framework was recently revised in 2016. Previously the Corporate Governance framework consisted of six core principles. The Code now comprises of seven governing principles and a set of supporting principles however the sentiment is essentially the same. The full set of principles is listed in the draft code in Annex 1. A diagram providing an 'at a glance' summary of the Council's evidence to ensure good corporate governance is included at the end of Annex 1 for ease of reference.

- 7. All councils must comply with the following requirements:
 - Publication of an annual progress summary on the previous year's Code, including any actions taken to improve compliance.
 - Publication of an annual Code of Corporate Governance update. This must include an update on any new evidence we can present. It must also include self-assessment scoring of the evidence we have regarding: compliance with national guidance on each governance requirement; and details of any action planned to improve compliance during 2017/18.
 - Inclusion of an Annual Governance Statement in the Council's Annual Report and Accounts.

PROGRESS ON 2016/17 ACTIONS

- 8. In April 2017 an update on the actions from the 2016/17 Code of Corporate Governance update was produced. This update was placed on the Council's website for public access.
- 9. All of the six improvement activities listed in the 2016/17 code were completed. Completed actions were:
 - Delivering a council wide internal communication plan for the Vision for the Future strategy;
 - Developing strategies for corporate communications, social media growth and the Council website:
 - Revising the corporate strategy guidance;
 - Improving absence reporting facilities and access through MyInsider;
 - Fully implementing the Leaders for the Future development programme and
 - Delivering briefing sessions on the new Community Empowerment Act

UPDATED CODE OF CORPORATE GOVERNANCE FOR 2017/18

- 10. The updated Code of Corporate Governance for 2017/18 is included at Annex 1 and sets out arrangements which fulfil the seven governance principles outlined in the national guidance. The CIPFA / SOLACE framework emphasises that councils should:
- keep codes of corporate governance under review,
- carry out a process of self-evaluation scoring; and
- develop actions to address any gaps or areas for improvement in governance arrangements.

The self-assessment of this year's code against the nationally prescribed criteria, found the Council to be fully compliant across most principles. The three areas identified as partially compliant have improvement actions in place for 2017/18 (to develop a Local Outcome Improvement Plan; to fully develop an approach to participatory budgeting and to implement audit actions relating to invoice processing).

The scoring is supported by a positive external Local Scrutiny Plan 2016/17 report prepared by Audit Scotland. This Plan was considered by Cabinet on 22 June 2017. As in previous years, the Local Area Network (LAN) auditors' assessed that no *specific* risk based scrutiny work will be undertaken apart from the routine, planned service inspections and monitoring from each of the scrutiny bodies (e.g. of schools).

- 11. A number of actions to be undertaken in 2017/2018 to further improve compliance with the Code have been identified. Each action has been included only once even although it may relate to a piece of evidence that occurs throughout the Code of Corporate Governance this is to reduce duplication. Key actions for 2017/18 are:
 - Gain staff feedback to assess employee awareness and understanding of our five values and wider Vision for the Future strategy;
 - Implement and embed new website subscription tool across council;
 - Transfer social customer service activity to Customer First;
 - Establish new digital customer experience team to take experience of our customers across all digital platforms to the next level;
 - Develop a Local Outcome Improvement Plan;
 - Develop an approach to participatory budgeting;
 - Review Asset Management Plans and report these in 2017/18; and
 - Align the financial plan with the workforce plan to better predict potential changes to workforce shape and size
 - Implement audit actions relating to invoice processing.
- 12. Once approved, the Code of Corporate Governance 2017/18 will be made available on the Council's website and a progress update on the actions will be made in April 2018 after the close of the 2017/18 financial year.

ANNUAL GOVERNANCE STATEMENT

13. As part of the SOLACE/CIPFA corporate governance framework the Leader and the Chief Executive are responsible for ensuring the inclusion of the Annual Governance Statement in the Annual Report and Accounts. The 2016/17 Annual Report and Accounts is to be published later in the year. This Statement includes a progress summary of the 2016/17 actions and also references the 2017/18 update on the Code of Corporate Governance.

CONCLUSION

- 14. Based on the evidence presented here East Renfrewshire Council is governed by sound and effective internal management controls and continues to demonstrate compliance with the requirements of the CIPFA/SOLACE Framework: "Delivering Good Governance in Local Government.
- 15. As part of the annual review process the Code of Corporate Governance has been updated and scored in line with evidence and in consultation with colleagues across the Council. Progress on planned actions for last year (2016/17) has been posted on the Council's website. Subject to Audit and Scrutiny Committee's approval the new revised Code for 2017/18 will also be posted on the Council's website in August 2017.

RECOMMENDATIONS

- 16. The Audit and Scrutiny Committee is asked to:-
 - (a) Note progress on the 2016/17 Code of Corporate Governance improvement actions.
 - (b) Approve the Code of Corporate Governance updates and actions for 2017/18 (Annex 1).
