

EAST RENFREWSHIRE COUNCILLICENSING COMMITTEE5 September 2023Report by Chief Officer (Legal & Procurement)APPLICATION FOR LATE HOURS CATERING LICENCE**PURPOSE OF REPORT**

1. To consider an application for a Late Hours Catering Licence.

BACKGROUND

2. In terms of Section 42 of the Civic Government (Scotland) Act 1982, a licence is required for the use of premises between the hours of 11pm and 5am the following morning for the sale to or consumption by the public of meals or refreshment. This relates to both “sit-in” and “carry-out” establishments.

REPORT

3. Chloe Johnston, Solicitor for and on behalf of Anderson Strathern as agent for JE Restaurants Limited, has applied for the grant of a Late Hours Catering Licence in respect of premises at Bowerwalls Place, Barrhead, Glasgow G78 1BF known as McDonald’s Restaurant, to operate from 11p.m. – 5a.m. Monday to Sunday. The application is attached as Appendix 1 to this report.

4. Police Scotland, the Environment Department (both Planning and Environmental Health sections) and the Local Member have all been consulted regarding the application. Eighteen objections/representations have been received timeously. All objections are from local residents and take the same form. To summarise, the objection relates to concerns regarding undue public nuisance (including noise) and threat to public order and safety arising from night-time custom at the premises and the associated detriment to neighbouring residents. A copy of the text of the objection is attached as Appendix 2 whilst the list of objectors is attached as Appendix 3.

RECOMMENDATION

5. That the Committee considers the application for a Late Hours Catering Licence.

Objection to Application for a Late Hours Catering Licence

Applicant: McDonald's Restaurants Limited

Location: Bowerwalls Place Barrhead Glasgow G78 1BF

Dear Sir/Madam,

I am writing as a local resident to object to the above Late Hours Catering Licence (LHCL) application. I am greatly concerned that the proposal, if it goes ahead, will have significant detrimental effects on the local community especially the neighbouring residential properties. I have detailed my objections below.

I object to this application in terms of Paragraph 5(3)(c)(i), (iv) and (v) of Schedule 1 of the Civic Government (Scotland) Act 1982 on the grounds that due to the premises location, the grant of this licence would cause undue public nuisance or would be a threat to public order of public safety.

On this specific occasion, the applicant is requesting permission for the premises to trade until 5am, 7 days a week. If the application were granted, there would be a real potential for significant numbers of people, many of whom would be under the influence of alcohol, migrating to this area of the town in order to socialise further and utilise the facilities. The subject premises affords a large car park and outdoor seating area and a childs play area for customers' use which will inevitably be used with or without the premises managements permission. As a result of this it will provide further potential for people to loiter outside. Not only could this lead to an increase in acts of violence and disorder, but the noise pollution will adversely affect the surrounding residential properties where I reside.

Consequently, it would be incumbent upon Police Scotland to respond to this by providing a police presence in that area and in order to do this, the concentrated level of police officers currently being provided within Barrhead and surrounding area would be depleted to a dangerous level.

As a sad but well documented fact, Barrhead town centre is currently blighted by youth Anti-social Behaviour (ASB) including:

1. wilful fire raising at Barrhead Health Centre
2. broken windows in Barrhead swimming pool causing the closure of the infant pool for several weeks
3. the harassment of Asda staff and customers by a group of delinquent youths
4. break in and subsequent vandalism of property and PC's within Hillview Primary school that was live streamed by the perpetrator on Snapchat for all to see.

Within the centre of Barrhead, if the current level of policing, council oversight and management, dedicated security guards, multiple private and public CCTV locations along side that this area is heavily frequented by shoppers and persons attending the many health and council premises, combined they are unable to make a reduction in this ASB. Therefore why should the local council even consider granting a property a LHCL that will further spread the above youth ASB into an area of significant residential properties.

I would suggest that the McDonald Restaurant multinational organisation will argue that the provision of a LHCL is to provide a 24 hours McDonald food service for locals and passing traffic. However, notwithstanding the above, the provision of a 24 hour McDonalds is location is only 2.3 miles away or a 7 minute drive from this location (Darnley) so the argument of the provision of service from this specific McDonalds location is false, inaccurate and misleading. We know that their only incentive is to make money without due consideration to the local residents.

I have carried out a basic search of nearby McDonald Restaurant locations and crossed referenced each locations hours of opening against their proximity to the nearest adjoining residential dwellings. I believe that the figures speak for themselves.

location no	LA area	address	closing time or 24 hour	Metre distance to nearest domestic dwelling	comment
1	Renfrewshire	Linwood	24	445	
2	Renfrewshire	Paisley	23:00	36	
3	Renfrewshire	Braehead	00:00	622	
4	Glasgow	Silverburn	23:00	113	
5	Glasgow	Darnley	24	118	building separated by large earth embankment and dual carriageway road
6	East Renfrewshire	Thornliebank	23:00	54	
7	Glasgow	Govan	00:00	194	
8	South Lanarkshire	Toryglen	24	177	
9	Glasgow	Castlemilk	00:00	194	
10	South Lanarkshire	EK Queensway	24	215	
11	South Lanarkshire	EK Lee Burn	24	425	
12	Glasgow	Rutherglen	24	144	
13	Glasgow	The Forge	24	180	
14	East Renfrewshire	Barrhead	24	26	

It is evident from these figures that only LHCL have been granted to McDonalds Restaurants have been at least 118 metres away from residential dwellings. In the case of Barrhead's application, the property is only 24 meters from the nearest dwelling. Therefore, this LHCL application must be refused.

Throughout the country there have been numerous LHCL applications refused, a short list is below:

I am not convinced that after having read the East Renfrewshire planning application process for the McDonalds site that ERC either understands the likely impact of noise and/or smells to be produced from the site.

Within the East Renfrewshire Planning Consent letter dated 14 Oct 2022, points 4 & 5 states limits to noise pollution levels to be registered at adjoining dwellings within prescribed hours of operation. At no point within this condition does it state what previous McDonald restaurant locations noise level have been audited to be producing. Within this Consent letter, East Renfrewshire Council make no mention of their intention to monitor or assess any previous locations or at this location, neither reactive or proactive action. I believe that ERC have set a condition without any evidence of compliance or intent to ensure compliance here. The Consent letter also makes no mention of any noise limits or monitoring of persons entering, exiting or loitering within the grounds of the restaurant. A major cause of noise pollution from any premises.

The levels noise levels indicated, again ERC makes no mention of who is a competent person to take said readings, what approved device can be used and what level of calibration is required to obtain a reading, ERC makes no reference that it can or will monitor.

Condition 7 of the Consent letter also sets conditions about the use of the external seating and play frame, as stated above, the management of this timescale will realistically be impossible. If the public have a public right of access to the location, McDonalds staff can only kindly request that persons leave, next step is police involvement. Playing the devils advocate, individual(s) sitting in a McDonalds external seating area at for example 02:00hrs laughing with a friend is neither against the law and in Scotland there is no trespass laws to remove person(s).

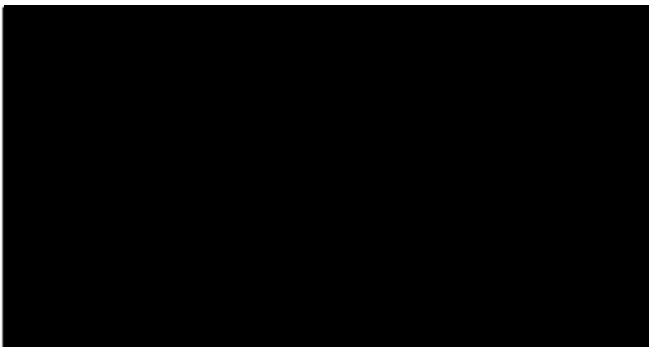

Within ERC's Report of Handling of this planning application, it is concerning to note that within the "Odour Assessment" section ERC have included a vague non specific statement regarding the produced odour for the premises kitchens. ERC deliberately makes no mention of proactive or reactive methods to assess and monitor "odour". It is therefore impossible for any form of redress to McDonalds is the nearby residents complain of strong odours as they will state that it is obvious odour from a commercial kitchen. ERC have neither included subjective or objective standards to be met. This is again a deliberately non statement that can not be assessed or questioned.

Assesses the potential for odour nuisance from the operation of the premises. It acknowledges that the kitchen facility with the building has high risk of producing odour impacts on residential receptors. It confirms the designed extraction system in combination with a suitable maintenance arrangement should adequately address this potential.

Within the Noise Assessment section ERC use the following words/statements; *references are unfortunately based on another authority*. ERC are making out that Darnley McDonalds is somehow too far away from its Rouken Glen HQ (1.7 miles – 5 min drive) and that somehow it is unable to make an informed assessment of this location. *Noise sources and their anticipated impact are assessed (guessed) and Potential mitigation measures are also explored in response to the findings*. Potential measures are explored, that is a vacuous gibberish absurdity. I find it unbelievable that a 24 hour catering licence is being based on guesses.

You must refuse this LHCL as McDonalds have proven themselves to be irresponsible and uncaring business without due care and attention to persons living around it locus.

Regards
